Supporting children with special educational needs

Policy Statement

We provide an environment in which all children, including those with special educational needs, are supported to reach their full potential.

- We have regard for the DFES Special Educational Needs Code of Practice 2014
- We ensure our provision is inclusive to all children with special educational needs.
- We support parents and children with special educational needs (SEN)
- We identify the specific needs of children with special educational needs and meet those needs through a range of SEN strategies.
- We work in partnership with parents and other agencies in meeting individual children's needs.
- We monitor and review our policy, practice and provision and, if necessary, make adjustments.

Procedures

- We designate a member of staff to be the Special Needs Co-ordinator (SENCO) and give his/her name to parents. Our SENCO is;

CAROL WILTON

- We ensure that the provision for children with special educational needs is the responsibility of all members of the setting.

- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We use the graduated response system for identifying, assessing and responding to children's special educational needs.
- We work closely with parents of children with special educational needs to create and maintain a positive partnership.
- We ensure that parents are informed at all stages of the assessment, planning, provision and review of their children's education.
- We provide parents with information on sources of independent advice and support.
- We liaise with other professionals involved with children with special education needs and their families, including transfer arrangements to other settings and schools.
- We provide a broad, balance and differentiated curriculum for all children with special educational needs.
- We use a system of planning, implementing, monitoring, evaluating and reviewing individual education plans (IEPs) for children with special educational needs.
- We ensure that children with special educational needs are appropriately involved at all staged of the graduate response, taking into account their levels of ability.
- We have systems in place for supporting children during Early Years Action, Early Years Action Plus, Statutory Assessment and the Statementing process.
- We use a system for keeping records of the assessment, planning, provision and review for children with special educational needs.
- We provide resources (human and financial) to implement our Special Educational Needs Policy.
- We provide in-serve training for parents, practitioner's ad volunteers.
- We raise awareness of any specialism the setting has to offer, e.g. Makaton trained staff.
- We ensure the effectiveness of our special education needs provision b collecting information from a range of sources e.g. Individual Education Plans reviews, staff and management meetings, parental and external agency's

views, inspections and complaints. This information is collated, evaluated and reviewed annually.

- We provide a complaints procedure.
- We monitor and review our policy annually.
