Policy on promoting children's welfare and preventing radicalisation and extremism

Policy Statement

Our setting will work with children, parents and the community to ensure the rights and safety of children and to give them the very best start in life.

Procedures

To carry out the following procedures to ensure we prevent children and young people being drawn into terrorism by meeting the requirements of the Prevent duty.

To do this we demonstrate actively in the following areas;

- Assessing the risk of children being drawn into terrorism
- Demonstrating that we are protecting children and young people from being drawn into terrorism by having robust safeguarding policies
- Ensuring that our safeguarding arrangements take into account the policies and procedures of the local Safeguarding Children's Board
- Make sure that staff has training that gives them the knowledge and confidence to identify children at risk of being drawn into terrorism, and to challenge extremist ideas which can be used to legitimise terrorism.
- Ensuring children are safe from terrorist and extremist material when accessing the internet.

All staff to complete the Channel General Awareness e-learning course.

If you have a concern about a child you should inform the Safeguarding Officer immediately.

This policy was adopted at a meeting at Pelican Children's Centre
